18. **Observations/findings:-** It was observed that there are 13 eligible beneficiaries and all of them have availed the said scheme. With regards to the mode of payment of the electricity bill, the Inspection Team has interacted with the beneficiaries and was informed that till date none of them has received the said bill.

19. **Suggestion:-** The JE who accompanied the inspection team was advised to take up the matter with the authority concerned relating to non-issue of electricity bill to the consumers in time.
